Mr. T. K. Nayar *(Minister for Rural Development)*: Yes, we know. I may say Pollachi may also be included.

Mr. A. B. Salem *(Mattancheri)*: May I know why the Cochin Government did not confine the supply of milk to the State itself when we are not in a position to import cattle from outside? In other words will you take any step to confine the supply of milk to our people alone?

Mr. T. K. Nayar *(Minister for Rural Development)*: I do not think that the milk is exported from our State.

Mr. A. B. Salem *(Mattancheri)*: It is not a question of export. There are Military people here and there are people of other allied forces here who are now supplied with milk. My question is whether you have taken any steps to prohibit the supply of milk to any of these outsiders who are here temporarily and confine the supply of milk to our own people.

Mr. T. K. Nayar *(Minister for Rural Development)*: It is not a practical proposition.

Mr. T. A. Ramachandra Ayyar *(Nellayi)*: Is it a complete prohibition or is any exemption granted to owners of cattle to take them over here?

Mr. M. Sivarama Menon *(Advocate-General)*: You have to secure a license to take cattle.

Mr. A. B. Salem *(Mattancheri)*: Has it been brought to the notice of the Madras Government that there would be a necessity to stop supply of milk to outsiders?

Mr. T. K. Nayar *(Minister for Rural Development)*: We have not represented in that way.

(*b*) Ernakulam, Kodakara, Azhikode, Tattamangalam and Cheruthuruthi.
(*c*) The Ayurvedic Hospitals at Ernakulam and Azhikode have already been opened. Arrangements are being made to open the other Ayurvedic Hospitals soon. The main delay is to get suitable buildings in the localities.
(*d*) Yes.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri)*: May I know, Sir, the nature of the Ayurvedic Hospital proposed to be opened at Cheruthuruthy. Is it a hospital with beds?

Mr. T. K. Nayar *(Minister for Rural Development)*: A hospital with 10 beds.

Mr. A. V. Moothedan *(Chalakkudi)*: How many physicians are there in the Ernakulam hospital?

Mr. T. K. Nayar *(Minister for Rural Development)*: Two physicians.

Mr. T. K. Nayar *(Minister for Rural Development)*: It is only another term for physician.

Mr. A. V. Moothedan *(Chalakkudi)*: May I know, Sir, that the Ernakulam hospital is very popular and many people attend that hospital?

Mr. President: Order, order. The Hon'ble Member must ask questions.

Mr. A. V. Moothedan *(Chalakkudi)*: Are the Government aware of the fact that many people visit this hospital and many of them have to return because of want of physicians?

Mr. T. K. Nayar *(Minister for Rural Development)*: Government are glad to appreciate the popularity.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri)*: May I know, Sir, whether there is paucity of physicians in the Department?

Mr. T. K. Nayar *(Minister for Rural Development)*: Not now.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri)*: According to the opinion of the Government may I take it, Sir, that there is no necessity for additional hands. Is that the position of the Government?

Mr. T. K. Nayar *(Minister for Rural Development)*: That is not the question. The question was put whether there is a paucity of physicians. I said there is no paucity.

Mr. P. Kumaran Ezhuthhssan *(Vadakkancheri):* May I take it, Sir, that the Hon'ble Minister is not tapping the supply of physicians to meet the requirements of the various institutions?

Mr. T. K Nayar *(Minister for Rural Development):* To meet the requirements of the various hospitals we have appointed Vydians in all the Vydiasalas and Hospitals.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* May I take, it Sir, that the Government takes the negative position so far as the question of the Hon'ble Member for Chalakkudi is concerned?

Mr. President: I should like the Hon'ble Member to put his question in a clear form.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* In the light of the answer given to the Hon'ble Member for Chalakkudi to a supplementary question put by him with reference to the Hospital at Ernakulam, is it the position of the Government, Sir, that the position taken up by the Hon'ble Member for Chalakkudi is not right?

Mr. T. K. Nayar *(Minister for Rural Development):* I do not understand the position taken up. The Hon'ble Member for Chalakkudi brought to the notice of the Government that people are flocking to the hospital at Ernakulam and I said that the Government appreciated that.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* But, Sir, there was a rider to that question from Hon'ble Member Moothedan.

Mr. President: Order, order. The Hon'ble Member must ask questions.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* The Hon'ble Member for Chalakkudi was pointing out that there are not sufficient hands to attend to the innumerable patients that resort to it because of the popularity and further suggested that there is paucity of hands. Is that position accepted by Government. That is my simple question.

Mr. T. K. Nayar *(Minister for Rural Development):* This fact has not been brought to the notice of the Government so far and if it is a fact, necessary steps will be taken to provide necessary additional hands.

Mr. K. M. Ibrahim *(Cranganur):* Is there not a first rate Allopathic Hospital at Ernakulam?

Mr. T. K. Nayar *(Minister for Rural Development):* Yes.
